"To-morrow, and to-morrow, and to-morrow, Creeps in this petty pace from day to day, To the last syllable of recorded time; And all our yesterdays have lighted fools The way to dusty death. Out, out, brief candle! Life's but a walking shadow, a poor player, That struts and frets his hour upon the stage, And then is heard no more. It is a tale Told by an idiot, full of sound and fury, Signifying nothing." --William Shakespeare.

I am eternally grateful to my family of Mom, Dad, Michael, Lyndsay, and Olivia for its unconditional support. Memories I hope to never forget are times spent with LC-SV-SR-SA-JH-LF-AW-KW-CS-EK-MK-AC-CM-NI-CQ-JA-JS-BC-DC-KB. Little red automobile, Skinner's crew, captain of cross country, winter track, spring track, fires, pool parties, road trips, junior and senior prom, owning at electives, severe cases of being a fanatic of the teachers, saying inappropriate comments, traveling nowhere, attending no concerts, visiting no amusement parks, obsessions with everyone's household animals, Boston attractions, music, movies, and television from 70s, 80s, and 90s, spirit weeks, basketball, volleyball, and dodge ball tournaments, layering patterns, setting off my own fireworks, finger painting, doing hazardous trampoline stunts, and just making the best of what is offered to me. I have no idea what I want to be but I'm sure that my experiences especially those of EBHS have shaped who I am. I can't believe it's over, but the class of 2008 won't die and remains legendary. Peace.

FRIDAY NIGHT LIGHTS *football*

DIRECTED BY: Coach TARPEY. EXECUTIVE PRODUCERS: Coach TARPEY, Coach DAVISON, Coach EATON, AND Coach DALEY

"The Varsity Football Team surprised everyone but themselves in 2007. As a team, the boys worked very hard in the off-season and gained valuable experience the year before. In 2007, they continuously made big plays at the most opportune time. Our sixteen seniors displayed outstanding character and helped turn this program around. The leadership displayed by captains Nathan Brown, Ryan Cramer, and Brian Phillips have set the tone for this program for years to come."

EB Cheerleaders Take League Title

The East Bridgewater High School Cheerleading Team continued their string of South Shore League titles with a win at Abington High School on Feb. 13. For the senior girls on this team, it was their eighth consecutive League Championship Title (four for football and four for basketball seasons). They have swept every League Title possible during their high school cheerleading career. The team also had the highest score of any team there, giving them a Grand Champion Title that night.

The team was in Orlando, Florida from Feb. 7, to Feb. 11 for the UCA National Championships. The team was in a Medium Varsity Division consisting of 80 teams that were competing. The 80 teams were divided into four groups A, B, C and D. East Bridgewater was in group D, with 20 teams.

East Bridgewater placed 11th out of the D group. They are waiting to see if UCA can release the results of all 80 teams, to see where the team measured amongst all 80. The girls didn't move on to the semi-finals, as they were two points behind the last team of group D that moved on.

Coach Cristie Larkin told her team, "I am proud of you! It couldn't have been better!"

MIGHTY DUCKS *hockey*

DIRECTED BY: Coach TIM HILL. EXECUTIVE PRODUCER: Coach BRIAN SMITH.

"The 2007-2008 ice hockey team was a joint venture between Abington and East Bridgewater. Over the years the players have developed a tremendous bond between them. Bonds develop due to the hard work and skill development throughout the entire year. These skills became evident in all but a few games. EAB ice hockey controlled the play for most of those games, at times able to finish the job and at others coming up just short, with four games lost or tied within the last minute. The 2007-2008 team was a relatively young team. Many players learned what it takes to be successful. As time passes, these experiences will prove advantageous in the future. Throughout the good and bad, the 2007-2008 ice hockey team played with heart and dignity, and will reach for higher goals in the future."

CHARIOTS OF FIRE
boys winter track

DIRECTED BY: Coach G. McCABE. EXECUTIVE PRODUCERS: Coach CHARETTE & Coach McCABE

The 2007-2008 boys Indoor Track season was extremely successful; highlighted by winning the State Division IV relays. The team finished with a 5-1 record and a second place finish in the Eastern Athletic League. The team was led by captains Brian Phillips, Myles Tyrer Vasell, Anthony Gareri, Nathan Illsley, Bobby McLaughlin and Matt Shea. Six boys were named to the All-League team, Myles Tyrer-Vassel, Brian Phillips, Tim Hill, Matt Shea, Mike Coles and Nathan Illsley. Myles Tyrer- Vassel came in first the 55m hurdles in the Division IV meet.

On Coach McCabe:

"You can't argue with results. Despite switching leagues and losing one of his team's strongest events in the process, McCabe still steered the Vikings to another successful track season. The Vikings finished the season second in the Eastern Athletic Conference behind Bishop Feehan and were able to win the Class D Relay State Championship.

McCabe is not usually a loud or animated coach, but he is no less competitive and always seems to know the right thing to say to his athletes. It's not hard to see why he is so well respected by both his team and the other coaches."

Shane, a.k.a. Shanie Bob, Shane Man, Murph Doggy Dog, Pooch Lee, Watching you grow up had been nothing but a pleasure. Entertaining at times, that is for sure! You have become a wonderful person, full of all the qualities that make us proud to say you are our son! We will miss your smiling face and twisted sense of humor around the house. You have been a great role model for your brother and sisters. You always kept family first and you protected and took great care of your three teenaged sisters throughout high school, which was a huge accomplishment in itselt. The doctors said you may never walk or talk and were not sure what life had in store for you. We always believed in you, and we knew that life had great things planned for you. Watching you walk up to get your diploma will be on of the most memorable events of our lives. We know without a doubt that you will be successful at whatever you hope to achieve and will always be the kind of man that anyone would be proud to say they know. We love you to the moon, and the stars, and back again,

Today You Star
by Roger J. Robicheau

What great feeling to dawn today
You've made the grade, you're on your way

Adulthood looks you in the eye
You'll soon decide how high to fly

Your childhood bore so many thoughts
Of friends, of tears, of what life taught

But now you face a whole new view
Your dreams will surface, encompass you

Excitement churns within your chest
A class of hotties, you are the best

That cool diploma you'll take to stay
Now that's a trophy to tuck away

I still remember how great the feel
there is but one graduaion deal

Twelve years have carried you this far
Now wear that cap, today you star

To close I would like to impart
To teachers all, Thanks from my heart

Jessica Marie Cyr
We are so proud of you!
Love ya always,

The End

I would like to thank all the students and faculty members who helped make this book possible.
I leave you, as always, with my favorite poem. May it arm you against the impossible – Mr. Scully

It Couldn't Be Done
Edgar Guest

Somebody said that it couldn't be done,
But he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that;
At least no one ever has done it";
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you, one by one,
The dangers that wait to assail you.
But just buckle in with a bit of a grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing
That "cannot be done," and you'll do it.

In loving memory of Dorothy Catherine Bryan
